

Dear Members & Guests of The Field Club,

I'm passionate about tennis and have a rich background in the sport. I recently graduated from college where I played Division 1 tennis, an experience that not only sharpened my skills but instilled in me the values of dedication, discipline, and teamwork. I have experience working with various age groups, from coaching 10 years-and-under groups to guiding high school kids, as well as mentoring high-performance athletes. I am also a strong hitting partner for anyone looking to spend more time on the court. Having recently graduated, I bring a fresh perspective and a deep understanding of tennis strategies and the athlete's mindset. While working on technical aspects of the game, I make sure that practice is fun and enjoyable! I look forward to seeing you on the tennis court.
