

RACHEL ROSSI

TENNIS PROFESSIONAL, THE FIELD CLUB

Dear Members & Guests of The Field Club,

My passion for helping others has given me great joy in coaching tennis players of all ages. Playing competitively throughout my youth led to a college tennis scholarship. I was recruited as the team's number one singles player, while earning the status of MVP, with our team simultaneously qualifying for Nationals twice in Tucson, AZ. Through this experience, I learned just how important being a leader is on and off the court. During my time in college, I also found a love for the fitness side of the game. I've learned how important staying strong is not just for tennis, but for our quality of life overall. Combining fitness with tennis has improved my clients' time on the court, quality of play, as well as preventing injuries and improving their daily lifestyles. Now, having more than 20 years of experience playing tennis and more than 5 years coaching tennis including personal training and fitness, I look forward to continuing my journey of sharing the love of the game and overall fitness in the gym with others.

- Born and raised in Sarasota, Florida
- Mom of two
- I love to bring the FUN to tennis and fitness
- I enjoy developing a love for the game through proper technique while staying strong physically.
