

Rules and Regulations

- 1. Dress Code:** Appropriate white or pastel tennis attire is required for all groups (NO cargo shorts, cutoffs, jeans or khakis) and only smooth soled (clay court) tennis shoes are permitted. (No cross trainers).
- 2. Food/Beverage:** Water, sport drinks, or juice will be allowed courtside (Drink Jugs recommended).
- 3. Lateness:** All classes will begin promptly at the scheduled time. Students must be at their assigned court ready to participate in the clinic.
- 4. Inclement Weather:** Please insure your telephone or a contact number is listed on our registration form. Cancellations will be rescheduled for a later date.
- 5. Etiquette:** Please be aware that there will be members playing on adjacent courts. Juniors must conduct themselves in an orderly manner so as not to disturb others.
- 6. Pick up:** Juniors must wait at the tennis office if their ride is late. If a parent knows they will be late, or if a junior rides with a friend or neighbor, please inform the pro shop staff. (941) 924-6281

- B) Student/Pro ratio 5/1
- C) Skills and fitness test will take place every 6-8 weeks to assess student progress.
- D) Private lessons and clinics available upon request.
- E) **No classes will be held the week Monday, March 26th – 31st. (Spring Break)**

The Field Club
PROGRAM DESCRIPTIONS

MIGHTY STARS

Each class will emphasize hand-eye coordination, basic stroke technique, and movement skills through a series of fun games and activities.

FUTURE CHAMPS

Students will focus on sound stroke development. Match play will be introduced using the quick start format but with some adaptations based on each classes progress.

RISING STARS & COMPETITORS

Students will continue to develop sound strokes and grips, proper footwork and basic strategy during match play. Video analysis will be introduced, as well as agility and fitness training.

CHALLENGERS

ADV. & HIGH PERFORMANCE

My philosophy for this program is "Serious Fun". Developing into an elite athlete is hard work; it takes many on court hours, conditioning, countless tournaments, and more. During this program, students will work on fine-tuning all aspects of the game, including World Class footwork patterns, modern stroke fundamentals, efficient strategy and mental efficiency training for match play. We will also use video analysis to assess proper technique as well as fitness and conditioning training to help develop player speed, agility and strength. Tournament travel will also be a big part of this program.
